

Piacentini & Son

Environment Policy

In all our business activities, Piacentini & Son are committed to achieving the highest standards in environmental management.

We aim to continuously improve our management of the environment to minimise the impact of our activities.

We will develop, implement and maintain a system of management processes that will enable us to:

- Identify, assess and manage risks to the environment;
- Achieve maximum commitment and effectiveness in compliance with applicable laws;
- Encourage the environmental awareness of all employees and contractors;
- Set and achieve targets in prevention of pollution and in minimising our use of natural resources;
- Respect cultural heritage and care for the environment;
- Annually review this policy to ensure it is both adequate and effective.
